Master programme in Sinophone Societies and Cultures

Answer the following questions in your own words. Enter your answers in the space provided on page two of this document. You must not use more than 500 words.

1. How did you learn about the programme, and what motivated you to apply? What makes the Master's in Sinophone Societies more suitable for you than other programmes?
2. What topics or research areas are you especially interested in?
3. Do you have any particular questions in mind that you want to address over the course of your studies?
4. What are the research or professional skills as well as your personal qualities that prepare you for this programme?
5. What are your personal or career goals that this programme can help you achieve?

My motivation for studying Sinophone Societies and Cultures
