Nostrification

Nostrification is the recognition of a foreign university degree as equivalent to an Austrian university degree. It recognises the completion of a degree programme abroad as equal to a degree programme completed in Austria in connection with the same rights and duties, e.g. the right to use an academic title. For the application, it is required that the nostrification is absolutely necessary in order to exercise a profession or continue an education (this mainly applies to regulated professions such as Teacher Education programme, Pharmacy, Law). The fee for nostrification currently is 150 Euro and has to be paid in advance.
